PRÉPARATION:

- L'assemblage est plus facile à deux.
- Doit être fixé à sa base et sur un plancher de bois ou de ciment.
- Placer les pièces et les outils nécessaires, de façon à ce qu'elles soient entièrement disponibles et à portée de main.
- **FRAGILE:** Attention au moustiquaire qui pourrait être brisé lors du montage.
- Au moins deux fois l'an, veuillez vérifier et resserrer tous les boulons de la structure, ainsi que ceux de la tension de la toile.
- Durant la saison hivernale, si une neige mouillante colle sur le toit et accumule un poids dépassant 3 lbs au pied carré, veuillez dégager ce surplus de poids, afin d'éviter d'endommager la structure ou la toile du toit.
- Ce gazebo se lave à l'eau avec un savon doux. Vous pouvez utiliser le savon recommandé pour le lavage de votre automobile.

CE GAZEBO ET SES COMPOSANTES RENCONTRENT LA NORME FÉDÉRALE DU CANADA, No. CPAI-84.

PREPARATION :

- Assembly is easier with an helper.
- Must be fixed on a wooden or a cement floor
- Arrange parts and necessary tools in order to be available at any time.
- **FRAGILE:** Pay attention to the screen that could be damaged during the assembly.
- At least, 2 times a year, check and tighten all frame bolts, and those which keep the canvas in place.
- During the winter season, if a wet snow sticks on the roof and accumulate a weight of a maximum of more than 3 pounds per square foot, remove the snow, to avoid damages to the frame or to the roof canvas.
- This gazebo can be washed with water and soft soap. You can also use the special soap, recommended to wash your car.

THIS GAZEBO AND ITS COMPONENTS MEET CANADA'S FEDERAL STANDARD, No. CPAI-84.

Étapes d'assemblages

assembly steps

Afin de simplifier les étapes d'assemblage en fonction des différents modèles, nous avons regroupé les plans d'assemblage de même que la quincaillerie par lettres. Veuillez suivre l'ordre des lettres et vous référer aux feuilles d'emballage et sacs de quincaillerie correspondants à la lettre de l'étape.

In order to simplify the assembly steps in functions of the different gazebo models, we bring together the assembly by letter. Follow the letters order and refer to the corresponding packing sheets and hardware kit steps letter.
